

Blue Voter Confirmation Cards

Nearly 40,000 Benton County residents received postcards in the mail asking to confirm or cancel their voter registration. Response to these blue or yellow postcards is vital to ensure each resident can vote in upcoming elections.

Did you receive a blue address confirmation notice?

Two types of postcards were sent to residents. Voters received a **blue postcard** if the resident has not voted in two years. The Benton County Clerk's office wants to confirm the voter is still living at that current Benton County address. This is the first notice for confirmation. Voters are asked to **please fill out the card information and return back to the mailbox**. The postcard is already postmarked.

Why is the County Clerk's office doing this?

The County Clerk's main goal in sending out these postcards is to confirm current information ahead of the 2020 election. It is a process required by state law to be performed every two years and will be conducted by county clerks throughout the state.
